CONCRETE RIPPER

BETONIZE 2030-B

CLEAR FINISHING PAINT FOR CONCRETE

Short Description:

BETONIZE 2030-B is a clear mineral paint specially designed for exposed concrete surfaces. The product offers a matte mineral finish while maintaining the original appearance of the concrete. It is particularly suitable for projects that require preserving the natural aesthetics of the structure while providing an additional protective layer.

Uses:

- Clear mineral paint for exposed concrete surfaces.
- Suitable for both interior and exterior use.
- Ideal for preserving the original appearance of concrete.
- UV and weather resistant, suitable for harsh environments.

Surface Preparation:

- Ensure the surface is dry and free from dust.
- Remove any greasy residues, dirt, and other contaminants.
- For new and clean concrete, no base layer is required.

Application Instructions:

- Apply two layers using a brush or roller.
- Stir the product thoroughly before and during use.
- Apply at a temperature of 5-35°C and humidity not exceeding 80%.
- Avoid application in direct sunlight or strong winds.

Coverage:

As per Fresco's technical department guidelines.

Drying Time:

At least 12 hours between layers.

Technical Data:

Parameter	Value
pH	11.3
Chemical Resistance	Yes
Water Vapor Permeability	sd(H2O)=0.02m
UV Resistance	Yes

Packaging and Storage:

- Volume: 5 liters, 18 liters
- Storage: 12 months in a sealed container in a cool place

Safety and Handling Instructions:

- Use gloves, mask, and safety goggles during application.
- In case of contact with skin or eyes, rinse thoroughly with water and seek medical advice if necessary.

Compliance and Standards:

Complies with DIN EN 1504.

Product does not contain copper. Usage of protective gear and proper ventilation is advised. If product touches the eyes, rinse thoroughly and seek medical assistance. Make sure package is properly sealed; do not hang from the handle. Keep away from children. Do not mix with any products not recommended by Fresco. The above recommendations do not substitute professional advice within individual work plans.
