## CONCRETE RIPPER

**FCA-350**

**Anti-corrosive one component protection layer for reinforced steel with electrochemical qualities**

### Product Description:

Anti-corrosive foundation, long term protection from corrosion for reinforced steel. Effects one-meter radius additionally to area of application of application due to its zinc rich content and the electrochemical function of the product acts functions as a proximity layer, conducting electrons from the cathode to the anode. Suitable for painting steel core of the building before concrete restoration. Product contains mineral binder, Melanesians, special flexibility agents, deep penetration agents, selective, zinc and zinc oxide. Gray colored liquid.

### Application:

Steel must be clean and clear of rust, dirt, oil, or grease. Part A and part B of product must be evenly mixed and applied in one even layer. Make sure a full application is made in which no section is left uncovered. If product is too thick, it may be diluted with a small amount of water using a manual mixer. Product must be stirred gently

### Coverage capabilities:

1kg per 3 meters

### Technical details:

Effective consumption	grams per m2 200
Density	gm/cm2 1.2-1.4
Layer amount	per foundation 1-2
Flexibility	1m"m, complies with Israeli code 935 section 307
Adhesive capabilities	Over 2.5NP
Storage	months in a sealed container in a cool place 12
Packaging	Package A 5kg, Package B 3kg
Drying time	hour to touch 1
Work time after mixing	Around 2 hours
Complies with standard	A1 S2

Product does not contain copper. Usage of protective gear and proper ventilation is advised. If product touches the eyes, rinse thoroughly and seek medical assistance. Make sure package is properly sealed; do not hang from the handle. Keep away from children. Do not mix with any products not recommended by Fresco. The above recommendations do not substitute professional advice within individual work plans. All details mentioned above are based on research, knowledge and experience obtained during production and usage of the product; they should not be seen as a general, specific, or implied guarantee of any sorts. Our guarantee is for the quality of the product alone, the user must check compatibility with their specific needs. We reserve the right to revise or alter any details without prior notice.
