CC-DILUTION Thinner for Metal Coatings

Short Description:

CC-DILUTION is a pure liquid thinner with organic additives designed for metal coatings. It is used to dilute CC-type metal paints to achieve the correct consistency while maintaining adhesion and curing quality.
Do not dilute CC-type metal paints with water. Use only CC-DILUTION for optimal performance. Do not exceed 15% dilution.

Special Properties:

- Eco-friendly silicate-based product
- Solvent-resistant
- UV-resistant
- Non-flammable
- Resistant to industrial emissions
- Weather-resistant & Mold-resistant

Application Instructions:

1. Surface Preparation:
- Ensure the surface is clean, dry, and free from rust, grease, or contaminants before applying paint.
2. Dilution Process:
Mix CC-DILUTION into CC-type metal paint gradually while stirring. Do not exceed 15% dilution ratio.
3. Drying Time:
Overcoating is possible after 12 hours (minimum).
Drying time varies based on humidity levels and temperature.
4. Tool Cleaning:
Clean tools with water immediately after use.

Technical Data:

Parameter	Value
Density	1.0 - 1.1 g/cm
Organic Content	>= 5%
pH Value	- 11
Consumption Rate	0.15 L/m (when applied with primer)
Color	Milky white

Exact consumption values must be determined using test areas. The given values are general guidelines for smooth surfaces.

Packaging and Storage:

- Volume: 1 liter, 5 liters, 18 liters.
- Storage: Store in a cool place for up to 12 months in a sealed container.

Product does not contain copper. Usage of protective gear and proper ventilation is advised. If product touches the eyes, rinse thoroughly and seek medical assistance. Make sure package is properly sealed; do not hang from the handle. Keep away from children. Do not mix with any products not recommended by Fresco. The above recommendations do not substitute professional advice within individual work plans. All details mentioned above are based on research, knowledge and experience obtained during production and usage of the product; they should not be seen as a general, specific, or implied guarantee of any sorts. Our guarantee is for the quality of the product alone, the user must check compatibility with their specific needs. We reserve the right to revise or alter any details without prior notice.
